# KSDS says “goodbye” to a long-time CEO and “hello” to the next generation of leadership

## Glenda Keller Retires as KSDS CEO

Glenda Keller of Washington, KS has been affiliated with KSDS since its incorporation in 1990. She and her husband, Paul, have been puppy raisers for several dogs, including their current black lab breeder, Kora. Glenda also served on the Board of Directors prior to becoming CEO of the organization in 2012. During her time as CEO, Glenda worked with members of the local and state community to raise funds and awareness for KSDS.

In her retirement, she will again return to the Board of Directors, this time as the Treasurer of the company. In her personal life, Glenda is looking forward to spending more time with her family, having continued involvement in the Washington community, and relaxing with her husband, Paul, and dog, Kora.

Prior to working at KSDS, Glenda received her BS and MS degrees in Education from Kansas State University. Her first career was with Kansas State University as a County Extension Agent and she retired from the University as a District Extension Director.

## Kelly Mayer Hired as New CEO of KSDS

Kelly Mayer (Matlack) is a Kansas native who grew up in Washington, KS. KSDS has always been a special place for her, and she excitedly joined the KSDS family in June. She is a graduate of Fort Hays State University, where she received a Bachelor's Degree in Organizational Leadership, and the University of Kansas, where she received a Master's Degree in Adult and Higher Education Administration.

Kelly has previously worked on college campuses as a professional staff member. Her primary role was to help students navigate the university setting in a way that encouraged them to find their independence. Kelly hopes to do the same for the individuals she meets at KSDS. She also wants to build lasting relationships, and provide a support system for each KSDS family member. Her previous experience in customer service and leadership will assist her in achieving these goals. Kelly is a motivated and driven individual who produces superb quality work with attention to detail. Her life's passions are traveling, service work, and spending time with her family and friends.

## Pups Days welcomed dedicated puppy raisers to KSDS

On April 27, 2019, puppy raisers from near and far gathered to learn a bit more about the vital role they play in the success of KSDS' assistance dog teams. During the event puppy raisers were given the opportunity to mingle with one another, take an obedience class, and hear testimonials from graduates. These testimonials help puppy raisers further understand the impact that the puppy they are raising will have on the life of another person in a few years. In fact, soon after the event a few of the puppies were given back to KSDS because they reached the age of 18-months. These dogs will now begin their advanced training so they can be placed as an assistance dog at one of our upcoming graduations.

Puppy raisers from as far away as Nebraska, Missouri, Oklahoma, Ohio, and New Jersey joined the Kansas members for an outstanding Pups Days event. We extend our thanks to Deb Tegethoff and the advisory board for planning the day's events. The advisory board consists of Libby Eaton, Marcia Boring, Tonya Chester, Shawn Dunavant, Jacob Davenport, and Lea VanderVelde.

## Graduate retreat brought together friends, old and new.

KSDS hosted their annual graduate retreat from July 15 - 17, 2019. The event gave participants the opportunity to get to know other graduates, re-train in obedience, and forge new friendships. Students who graduated as recently as June 2019, and as far back as Spring 2010, were able to get to know their dogs and one another just a bit better over the three-day event. Not only did graduate retreat give students the opportunity to fine-tune their obedience skills, it also gave some students the chance to brainstorm fundraising ideas for KSDS.

A specific example of this was seen when the present facility dog teams met with KSDS staff members Letha Nelson and Adam Mayer to discuss the potential of doing a school vs. school fundraiser in early 2020. The goal of the fundraiser is to raise money for KSDS by encouraging students at participating schools to donate in honor of their school's facility dog. At the end of the fundraiser, the school with the most funds raised will receive a prize that celebrates their achievement and victory in the inaugural school vs. school event.

Although grad retreat was just a few days, many students were recertified as teams according to ADI standards, and all attendees gained valuable knowledge that will benefit them for the rest of their dogs' lives.

# Our Newest Litters

On September 28, 2018, Duchess had a litter of two Golden Retriever puppies. KSDS kept the male, October (Tober) and his sister was sent to Paws With A Cause in Michigan. Tober was named by a couple who had donated \$1,000 in honor of a facility dog who passed away.

On September 30, 2018, DynaMax had a litter of eight Golden Retriever puppies. The public voted for the litter's theme: Star Trek! Meet Troi, Tasha, Tribble, Quantum, Q, Captain, Crusher, and Phaser.

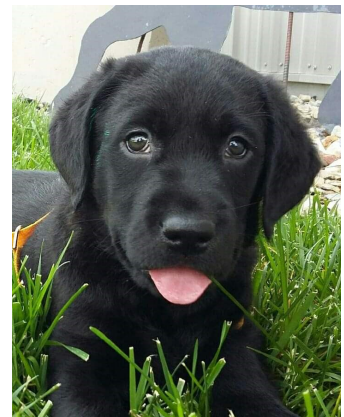

On June 17, 2019, Roo welcomed a litter of seven Golden Retriever puppies. Based on the results of a NameGame, the litter theme was selected as Moon Names. Meet Halo, Star, Moon, Atlas, Lucia, Marama, and Strawberry.

On October 18, 2018, Thimble birthed seven Labrador Retriever puppies. The public voted for the litter theme to be Nuts! Meet Acorn, Peanut, Almond, Walnut, Pistachio, Cashew, and Hazelnut.

On May 27, 2019, DynaMax had a litter of 11 Golden Retriever puppies. Following a public vote, the litter theme was selected as Fallen Heroes. Welcome Marsh, Deford, Steed, Woyjeck, Norris, Ashcroft, Caldwell, Warneke, Misner, Zuppinger, and Mackenzie. These dogs were named after 11 of the 19 firefighters who passed away on June 30, 2013 while fighting the Yarnell Hill, AZ wildfires.

Meet Bo! She came to KSDS in June, 2019 from Canada. She was named by the Prairie Band Potawatomi Nation following their \$5,000 donation. She is a black Labrador Retriever from the litter of Zegan from Pacific Assistance Dogs Society (PADS) and Cali from Dogs with Wings (DWW).
